### How Freegal Music Works:

- Library users have a weekly download limit. You will be able to keep track of your downloads in the upper right corner of the site. Every song has a sample clip you can listen to before you download.
- The downloads on this site are all in the MP3 format with no DRM. This service will work with any MP3 player, including iPod, and can be loaded into iTunes. It works on both PCs and Macs. Check out our new mobile apps for iOS and Android devices!
- Be sure to check out the browsing areas, especially Artists A to Z (on the "see all genres" page) and the genre lists (menu bar). Click on see all genres to view dozens of categories.

Enjoy the site!

# Richland Public Library

Get full issues of magazines from your reading list anytime. Download the Zinio app and access your reading list from your tablet or smartphone anywhere you go.

### First Time Users how to set up your account: (Do this one time only)

Go to the library webpage <http://richland.lib.wa.us/>
