1	character strong needs to be put in place in schools and developed in the students of today. This training has peaked my interest in the social - emotional aspect of my students and would fill a need that academics in school doesn't provide.	9/25/2018 8:20 PM
2	This training was amazing! Very necessary to establish and maintain appropriate culture and connection in our schools today!!	9/19/2018 9:46 AM

4	One thing that would have been more helpful is to give the groups who came together time to look at what they specifically need to do in their school. It was great to get ideas from other schools and meet different people but we are so limited in time that it would have been beneficial to collaborate with our team.	8/20/2018 4:10 PM
5	While I appreciated the opportunity to interact with different sets of people, I think the opportunity to sometimes discuss the topics with the group I came with would also be helpful.	8/20/2018 8:57 AM

CharacterStrong 2-Day Training, Lake Stevens, WA (Cavelero Mid-High School)

10	I realize it is a challenge to find days in the week for all we want to do, however, it was difficult for me to give up my important Sunday morning. Summer travel has meant being away for too many Sundays. Sunday afternoon would have been more to my liking, as my church activities are important to me. Also, a gluten-free lunch would have been nice. An office professional completed my registration process and made no mention of being able to choose a dietary preference. It's okay, though. I usually bring my own food. Didn't today, so that's on me. :)	8/18/2018 9:27 PM
