

266 Dog Years – Don't Just Survive, Thrive

What is the job?

Someone to help

Things are not what they seem

You might get what you want

Change the bug

What clothes will you wear?

What's in a name?

Where do you fix it?

HD Meter

What hill do you die on?

Recognize perspective

Relationships – the key(s)

Look for possible consequences

Don't waste energy on what you can't control – teach the ones in front of you

Learn who you are and be you – but always work to be a better you
