

Beth Simpson

Beth Simpson is an ELA Assessment Specialist at the Office of Superintendent of Public Instruction in Washington State. In 1999, Beth graduated from Central Washington University with a Bachelor's degree in K-8 Education with an endorsement in Reading and was hired as an elementary teacher. In 2003, Beth earned a Master's Degree in Reading and Literacy and started participating on state assessment committee work. In 2006, she was hired on at OSPI to work with the assessment team leading and developing Reading Assessment materials. In 2009, Beth worked with teams for the initial revision and feedback of the Common Core State Standards. Since 2012, Beth has been involved with various components of the ELA Smarter Balanced Assessment System including test development and state co-lead for the Digital Library.
