#### Comments:

- Much better picture of how I can be an effective teacher leader. I was inspired, and being a grumpy high school science teacher, this is not easy.
- I loved that the presenters had a sense of humor – makes it even more interesting.
- So much to think about – thank you!
- Great Job! Really learned some things.
- What a great training! I loved the active listening techniques, the knowledge of the presenters, and the comfortable facilities!!
- Good information presented in an organized well-planned presentation.
- Very helpful in pulling my thinking together.
- Presenters are in the refinement state. Would you be willing to share this with others?
- Very effective! Thanks for the tools!
- Too much role-play time... It lost momentum.
- Thank you!
