

Julie Wagner

Julie Wagner has worked as a teacher, coach, and administrator in education. She has taught mathematics at a variety of grade levels, in public and private education. She joined OSPI in 2009 and has worked in Teaching and Learning and Assessment. Most recently, she is the Grades 3-5 lead for the state assessment and has worked extensively with Smarter Balanced in all areas of the assessment. She also is the early numeracy champion for OSPI and has presented at conferences and in regional meetings on this topic.
