Her keynotes and trainings leave audiences enthused, inspired, deeply touched, and wanting more!

Institute Description:

This workshop is designed specifically for our caring paraprofessionals. Paraprofessionals often spend more time one on one with students than any other school staff member. As a result, there is invaluable opportunity for those who serve as paraprofessionals to make a positive impact on the lives of their students.

Throughout this presentation, participants will learn strategies to practice intentionality in order to promote equity and inspire hope, including:

- ***Five Ways to Ignite Hope***
- **Specific strategies for using positive behavior reinforcement**
- **Skills to foster student SEL**

Participants will walk away empowered to integrate this knowledge into their realm of influence as powerful paraprofessionals! Number 1 of 3 in the series and each can be taken independently.

Registration Fee: \$75/participant
