

Team SMART Goal-Setting Form

Team: _____ Date: _____

District Goal:

School Goal:

Team Goal, Strategically aligned:

How will we **M**easure our students' progress and achievement? What assessments will we use?

What baseline data do we have to demonstrate this is an **A**ttainable goal? How audacious is this goal?

What are the **R**esults we expect? What evidence will we collect to determine our level of success?

What is our **T**ime-frame for achieving the goal? When will we check-in on our students' progress?

What resources do we have? What resources do we need?

What coaching or other support will we need along the way?

What strategies will we employ to achieve this goal? Attach instructional plan as necessary.
